Dear Sir,

We are writing in relation to a request for confirmation on information disclosure statement filed on October 20, 2006 via the new E-Filing system. According to the Office Action mailed on December 29, 2006, the Examiner pointed out the IDS filed on October 20, 2006 has been initialed; however, the form itself does not have any documents cited therein, nor is the certification statement signed by the applicants or the applicants' representative.

After a careful review, applicants hereby respectfully submit that the as-filed IDS was a complete set including both the cited documents and the certification statement executed by the representative of record. Nevertheless, applicants observed from the Private PAIR system that the aforesaid information was missing while the IDS form was uploaded to the EFS server.

Applicants accordingly request the Office to verify the submission of the IDS. Attached hereto please kindly find the as-filed IDS form and the acknowledgement receipt evidencing the entry of the applicants' submission for your reference.

Thank you for your assistance in the subject matter. If you have any questions, please feel free to contact the undersigned.

Respectfully Submitted,
JIANQ CHYUN Intellectual Property Office
